PROFESSIONAL SUMMARY

Passionate Full Stack Developer with hands-on experience building modern, responsive, and scalable web applications using **Next.js, React.js, Node.js, MongoDB** and **Tailwind CSS**. Proficient in developing end-to-end web solutions, including **responsive user interfaces, RESTful APIs, authentication systems, database-driven applications, and production-ready deployments**. Experienced in creating **business websites, interactive web applications, and client-focused solutions** with an emphasis on clean architecture, performance, and user experience. Skilled in **JavaScript, Python, SQL, Git, GitHub, Vercel, and modern development workflows**, with a strong understanding of **responsive design, API integration, database management, and software engineering best practices**.

SKILLS

Programming Languages: JavaScript (ES6+), Python, Java, C++, C, SQL
Frontend Technologies: React.js, Next.js (App Router), HTML5, CSS3, Tailwind CSS, Bootstrap, Responsive Web Design
Backend Technologies: Node.js, Express.js, RESTful API Development, Authentication & Authorization, Server-Side Rendering (SSR), API Integration, Nodemailer
Databases: MongoDB, MySQL, Database Design, CRUD Operations
Development Tools: Git, GitHub, Postman, npm, Vercel
Core Concepts: Object-Oriented Programming (OOP), Data Structures & Algorithms (DSA), MVC Architecture, Component Based Development, Responsive Design, Performance Optimization, SEO Fundamentals
Development Practices: Version Control, Cross-Browser Compatibility, Mobile-First Development, Clean Code Principles
Soft Skills: Problem Solving, Analytical Thinking, Communication, Team Collaboration, Adaptability, Time Management, Continuous Learning

EXPERIENCE

Tech Mahindra Support Associate (20 Feb 2026 - Present) - Delivered customer support while consistently meeting quality and productivity metrics. - Strengthened communication, analytical thinking, and problem-solving skills in a high-volume environment. - Collaborated with cross-functional teams to resolve customer issues efficiently.	Altruist Customer Support Associate (12 Jun 2025 - 19 Feb 2026) - Handled high-volume customer interactions while maintaining service quality, accuracy, and resolution standards. - Analyzed customer concerns, identified appropriate solutions, and resolved issues efficiently within defined processes. - Adapted quickly to new processes, tools, and workflows while consistently meeting operational requirements.
